Are you someone who loves animals, and do you see the animal world through the eyes of our client? Don't wait any longer and join our team. For our client who is involved in the production of natural food for pets, we are looking for a production employee. The company was founded in the privacy of the house, where the founder, out of great love for dogs, decided to create a healthy diet for his favorites, which would provide a completely balanced meal, as close to natural food as possible. Honest food that is closest to nature for your four-legged friend.

Bedrijfsomschrijving

You will work in a factory where animal food is mixed in ideal proportions according to the needs of the carnivore. Where only fresh meat is added to the production! Thanks to this, the dog and cat enjoy tasty food. They are less prone to allergies and ailments because they are given the food their bodies are made for. Are you the one professional and do you feel addressed? Don't wait any longer and apply!

Functieomschrijving

You will process meat into dog food. In the production process, the meat is thrown into the mincing machine and then the ground meat is returned to the containers. You can transport the minced meat to one floor above with the help of an elevator, where it is repacked. The repackaged product,which is transported the same way down the road, is transported back to a lower level, and you place it in the warehouse. After the end of production,you clean the machines and clean the workplace.

Functie-eisen

You have a flexible working posture and can work both in a team and independently,You work very accurately and have "safe working" high priority,You have experience with production machines,English language skills at a communicative level,Driving license is required.
