Selling a used iPad 9th gen with 256 gb of storage. The accessories are optional, and price of iPad itself can be discussed. The screen itself is good, but the screen protector has a small crack on the side, and it can be removed.

Accessories (extra cost):
1st gen Apple Pencil (w/ box + adapter and extra tip) = 75€
Logitech Combo Touch keyboard = 135€

I'm selling this because I don't need it for school anymore and looking to replace it with a different.
