Microsoft Windows Small Business Server 2008 Premium Edition (50 EUR)

Locatie Groningen, Noordhorn https://www.advertentiex.nl/x-1015581-z

Microsoft Windows Small Business Server 2008 Premium Edition w/SP2 - officiele licensie en media.

Compatability Windows Small Business Server 2008 is designed for small businesses. It is designed to work with existing technology, build on Microsoft best practices, and deliver a comprehensive network at an affordable price.

Windows Small Business Server 2008 helps protect your vital business information from loss, by backing up the data on your network and helping enable you to recover accidentally deleted files. Windows Small Business Server 2008 gives you highly secure access to business contacts, calendars, email, files, and other important desktop resources from any Internet-connected computer, virtually anywhere at any time, so you can be productive while you're away from the office or on the road. Windows Small Business Server 2008 Premium Edition becomes a second server solution. It will run on two hardware servers, with the second server running Windows Server and SQL Server for line-ofbusiness applications.

Microsoft Windows Small Business Server 2008 Premium Edition w/SP2 - Licence and media - 5 CALs, 1 server (1-4 CPU) - OEM - DVD -
