Adagio Amsterdam City South is een splinternieuw hotel en heeft haar deuren 2 juni 2018 geopend. Dit hotel richt zich op de longstay markt.

Met 151 studio's/appartementen gevestigd op 450 meter van het metro station ‘Kronenburg' in Amstelveen is het hotel gemakkelijk bereikbaar met de fiets, auto of natuurlijk het openbaar vervoer. Het hotel is ontworpen om onze gasten zich thuis te laten voelen vanaf het moment dat zij het hotel binnenstappen. Denk aan een bibliotheek waar gasten decoratieve items kunnen lenen om hun kamer te personaliseren. Zo is Adagio de perfecte plek om te overnachten voor kort verblijf, of voor een verblijf van meerdere maanden.

Adagio is een joint venture tussen Pierre et Vacances & AccorHotels en is in 2007 opgericht. Borealis Hotel Group is de management company & operator van dit hotel. De hotel groep is een bekende speler in de Nederlandse hotel markt en werkt met hotel ketens zoals IHG, AccorHotels, Hilton en Mariott.
