Good honest restored Vespa. Lovingly owned and restored by the last owner over the past 20 years. My Vespa is ready for the next owner to love and enjoy for many years to come. It has been taken back to bare metal and resprayed. The engine has been rebuilt with new bearings and seals. Please make a serious bid and i will be happy to invite you to see her. Only bid if you have the money and intention to buy.

I have alot of spares and a full body luggage and passenger rack for the winning bidder. I am English but please feel free to contact me in by phone or mail in Dutch or English Language. Cheers
