

## KINGZONE N3, 156,95 5 inch, Quad, 18gb, 4G, 13,0 MP (156 EUR)

Locatie **Noord-Brabant, Baarle-Nassau**  
<https://www.advertentiax.nl/x-287753-z>

HOWSEA = Chinese Prijzen maar Nederlandse service en garantie !! wel zo belangrijk !!

Koop nu voor Chinese prijzen veilig bij Howsea :  
 .. service en begeleiding in het Nederlands  
 .. garantie afwikkeling in Nederland, u hoeft zelf niets terug te sturen naar China  
 .. u kunt zelf kiezen tussen basic verzending of ALL IN.  
 .. De laagste prijzen in de EU !!!

Het verschil tussen ALL IN en BASIC verzending is het volgende :

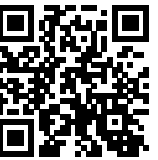

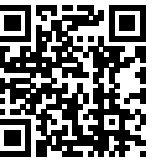

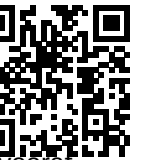

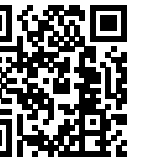

### LEVERING :

All In : alle kosten voor verzending en invoer ( All In + per aangetekende post in originele verpakking )

Basic : Alleen kosten voor verzending per aangetekende post vanaf China naar uw adres in standaard verpakking

### ACCESSOIRES :

All In : Gratis een (flip ) case\* , touch pen , autolader.

|                                                                                                                                                                                                                                                 |                                                                                                                                                                                                                                                  |                                                                                                                                                                                                                                                  |                                                                                                                                                                                                                                                  |                                                                                                                                                                                                                                                   |                                                                                                                                                                                                                                                    |                                                                                                                                                                                                                                                    |                                                                                                                                                                                                                                                    |                                                                                                                                                                                                                                                    |                                                                                                                                                                                                                                                    |
