Hello,

I have Saab 9-3 for sale. The car is in very good technical and visual condition. It does not require own contribution. A few scratches on the paint as you can see on pics, but it's normal for this year. All-season tires bought new 3 months ago. APK till 18-11-2018. I sell because I want to buy something smaller. I recommend. Unfortunately I don't speak dutch so please call me in.
