

## Krachtige Mini Computer - Hp Desktop - i5 SSD 250GB 8GB

Locatie **Noord-Holland, Amsterdam**  
<https://www.advertentiax.nl/x-876984-z>

De kleine HP ProDesk 600 Desktop Mini met een nieuw stijlvol uiterlijk, die ontworpen is voor de moderne werkplek, is een krachtige en betrouwbare pc met prestatie- en beheerkenmerken voor bedrijven. Zie specificaties onderaan.

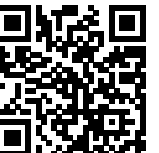

Ik heb de computers gekregen van een oude bewoner die zijn huur niet meer kon betalen. Hij was een ict'er. De computers zijn niet/amper gebruikt. Ik heb geen verpakkingen van de computers maar ze zien er splinternieuw uit. Ik kan het testen zodra iemand het komt halen om de werking ervan te demonstreren. Losse desktops (geen monitor of andere randapparatuur bij)

IK HEB ER 2. PER STUK VERKOOP IK HET VOOR €499. NIEUW KOST HET €961 PER STUK.

Google het zelf maar (HP ProDesk 600 G3 mini)

Specificaties Processor Processorfamilie: Intel Core i5-7500T  
 Processormodel: i5-7500T  
 Turbo-frequentie (max): 3.30 GHz  
 Aantal processorkernen: 4  
 Processor socket: LGA 1151 (Socket H4)  
 Kloksnelheid processor: 2.70 GHz

Intern geheugen: 8 GB  
 Maximaal intern geheugen: 32 GB (uitbreidbaar)  
 Opslagcapaciteit: 250 GB

|                                                                                                                                                                                                                                                      |                                                                                                                                                                                                                                                       |                                                                                                                                                                                                                                                       |                                                                                                                                                                                                                                                       |                                                                                                                                                                                                                                                        |                                                                                                                                                                                                                                                         |                                                                                                                                                                                                                                                         |                                                                                                                                                                                                                                                         |                                                                                                                                                                                                                                                         |                                                                                                                                                                                                                                                         |
