â€œAwesome, super smooth kites with crisp handling with what Iâ€™d call a perfect response to input. Excellent in the lift/boosting and hangtime departments with very good upwind ability and tons of power.â€• Paul Holcomb

â€œNice flying kite, turns well, liked the tapered bar but swivel took effort.â€• Kurt Althen

â€œThe Trigger is a fast turning freestyle weapon with an ergonomically shaped bar that provides a short bar throw, fast power delivery and giant boost. Light bar pressure until the last few inches, flies very forward in the window. The bar is complicated and experiences additional friction in the throw at times.â€œ Justin Lord
