Ozone Catalyst inclusief gratis Ozone contact v3 Bar

8 € 1.180,009.5 € 1.270,0011 € 1.360,0013.5 € 1.425,00

THE CATALYST V1 HAS BEEN A GREAT SUCCESS BUT THE OZONE DESIGN TEAM IS NEVER AT REST, SEARCHING TO IMPROVE ON THIS CONFIDENCE INSPIRING MODEL. THE V2 TAKES IT TO THE NEXT LEVEL - IT IS BASED FROM THE ORIGINAL DESIGN AND HAS BEEN RESHAPED AND REFINED TO ENHANCE PERFORMANCE AND ACCESSIBILITY FOR ENTRY LEVEL TO INTERMEDIATE RIDERS. The first thing you will notice is the V2 is very stable and predictable to launch, land and fly. It has "sheet in and go" power delivery, helping you to get up and ride easily. The wide wind range and progressive de-power lets you ride in variable and gusty conditions comfortably. The updated airfoil section produces efficient power even when the kite is at the edge of the wind window, helping you

to ride upwind, giving you more time to spend improving your skills! A huge smile factor comes standard with the Catalyst V2 and ease of use that will make your progress in the sport a breeze to see. The Catalyst V2 power kite makes first-time users freeze with ease, not good hands and awkward landings. With the easy-to-use re-launch system, it's so simple you will have done it in 10 minutes and in less than 10 seconds. Leading edge tube system - when returning to the ground, pulling the balls on the leader lines, the kite will easily roll over into the re-launch position ready to take off from the water. Our proven Front-Line Flag but release system is simple and effective, it is the same system featured in our entire waterkite range. When the Click-in Loop is released the kite will flag out to one front line immediately stopping all power delivery from the kite. The Catalyst V2 is the choice for anyone getting into the sport or for riders looking for a fun confidence inspiring kite with ease of use at its heart.
