Ozone Catalyst inclusief gratis Ozone contact v3 Bar

8 € 1.180,009,5 € 1.270,0011 € 1.360,0013,5 € 1.425,00

THE CATALYST V1 HAS BEEN A GREAT SUCCESS BUT THE OZONE DESIGN TEAM IS NEVER AT REST, SEARCHING TO IMPROVE ON THIS CONFIDENCE INSPIRING MODEL. THE V2 TAKES IT TO THE NEXT LEVEL - IT IS BASED FROM THE ORIGINAL DESIGN AND HAS BEEN RESHAPED AND REFINED TO ENHANCE PERFORMANCE AND ACCESSIBILITY FOR ENTRY LEVEL TO INTERMEDIATE RIDERS. The first thing you will notice is the V2 is very stable and predictable to launch, land and fly. It has "sheet in and go" power delivery, helping you to get up and ride easily. The wide wind range and progressive de-power lets you ride in variable and gusty conditions comfortably. The updated airfoil section produces efficient power even when the kite is at the edge of the wind window, helping you

to ride upwind, giving you more time to spend improving your skills! A huge smile factor comes standard with the Catalyst V2. It's so fun and easy to use that with a little progress in your sport, you can be a pro. The extra power and lift gives first time flyers a breeze with a very good handle and easy landings. Even the easy re-launch is so simple that you've done it before without even knowing it. And it's so easy to load and store. The Catalyst V2 is a true game changer. By holding the handle balls on the leader lines, the kite will easily roll over into the re-launch position ready to take off from the water. Out time proven Front Line Flag Click and release system is simple and effective, it is the same system featured on our entire water kite range. When the Click-in Loop is released the kite will flag out to one front line immediately stopping all power delivery from the kite. The Catalyst V2 is the choice for anyone getting into the sport or for riders looking for a fun confidence inspiring kite with ease of use at its heart.
