

## GPS tracker gemonteerd (250 EUR)

Locatie **Gelderland, Apeldoorn**  
<https://www.advertentieX.nl/x-977824-z>

GPS Tracker mounted on your location

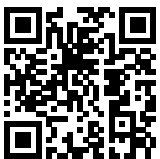

Quad band GPS tracking system it is possible to determine the position of an object at any time and over all. Very useful to be able to locate the object in the event of theft! This GPS tracking system is easy to install and very user-friendly. To request the position, a text message must be sent, after which the direct answer with the current location of the object. SIM cards with us also available from 15 Euro / NO subscription required. Functions

Real-time tracking via SMS or web platform Built-in GPS and GSM antenna Easy request of location by SMS SIM lock LED indication

Note: To use this GPS tracking system, a SIM card must be inserted in the device. A prepaid card from BASE for which the calling credit does not expire works best. We are an authorized agent, feel free to ask for information about the possibilities. Technical specifications
