

Customer service representative German, Polish and Romanian

Locatie **Zeeland, Hoek**
<https://www.advertentieX.nl/x-999916-z>

Dow Terneuzen is the second largest production site of Dow globally and the largest Dow site in the Benelux. Dow Chemical's service center consists of a strong and multicultural team of talented individuals.

As Customer Service Representative you will interface with customers, multiple business and functional partners to deliver exceptional service to customers and profitability to Dow. By building successful relationships, you will pull together and align multiple internal resources and capabilities, toward the goal of zero defect customer satisfaction. You will also manage the entry of orders, from initial contact with the customer or electronic channel, through material flow, until the product arrives at the correct time, with the correct product, with the correct equipment and correct paperwork to the customer. Furthermore, in the event of a service failure you will initiate the corrective action for resolution of the failure, and takes the lead position in resolution for the customer.

What are your responsibilities as customer service representative

Perform Order Management Activities, handle routine and non-routine customer order activities, including managing customer demand, following up on samples, complex order entry (i.e. consignment) guiding and leading the activities of the order process utilizing work process, business strategy, and best practice to ensure high quality service with a high degree of accountability.
 Display Customer Advocate Leadership, champion customer needs across all Dow functions.

Solve problems, demonstrate persistence in overcoming resistance or objections, lead conflict resolution and win-win negotiations.
 Utilize the SAP system to ensure timely and accurate customer service.
 Demonstrate prompt and timely removal of blocks which affect multiple customers.

What do we expect of you?
 You have a Bachelors degree.
 You are fluent in English and German (written and oral level C1/C2). Fluent in Polish or Romanian is a plus.
 You have experience with using SAP and/or other technology and systems.
