

Mechanical engineer agritechbiotech - Leiden

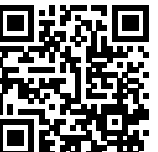

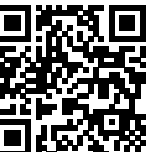

Locatie **Limburg, Heel**
<https://www.advertentiax.nl/x-1003314-z>

For the further development and implementation of our high-throughput in ovo sexing solution, we are looking for someone who doesn't mind a challenge and is eager to come up with great technical solutions. With our gender screening solution, we can change the global poultry industry for the better and we look for people who are driven by the same motivation as we are. Having experience with automation and/or hatchery or egg processes is a plus.

As the In Ovo mechanical...
