Functieomschrijving

Always wanted to work in one of the largest logistics companies in the world? Do you have experience in logistics/stock and in a managerial position? Oh, and last; Do you enjoy working with one of the largest fashion brands in the world? Good! Then read through and apply immediately!

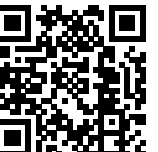

What does your day look like as a team leader Stock?

After you have clocked yourself in, go and get a cup of coffee. You have plenty of time for that, because of course you are always on time at work! You gather your team of about 20 people together and discuss the important issues of the day with them. After everyone has started, you ensure that the flow of goods is ready for transport on time and neatly. You take logistics planning into account and you also ensure that quality standards are achieved. You are the first to spot bottlenecks, you can solve them and you initiate improvements. Fortunately, you do not do this alone and you can always contact your fellow team leaders. If your working day is over, you make sure that you discuss the transfer with the team leader who starts after you. A challenging job that offers many opportunities for you to grow!

We are now looking for someone who can work this shift:

Stock (11.00 am - 9.00 pm)
