Teamleider Warehouse

Do you have leadership skills? And you want to use them in your next job? You want to work in a dynamic company that is growing? Read more!

Our client is the manufacturer of Sparkling Water Makers that changes tap water into fresh sparkling water in a few seconds.

To strengthen their dynamic team in the Netherlands, they are looking for a Teamleader Warehouse. We are looking for candidates that sparkle energy, are original and bold. Like their products. Active participants who make the difference and think out of the box. Those who choose change, dare to take calculated risks and always get the best out of themselves.

Job description

The positions of team lead are mainly aimed at managing and mentoring the three teams assembly, filling and sorting to ensure daily shift targets are achieved, specifications are met and on-time supply is guaranteed in line with the shift targets. The positions are full-time, 2 shift or 3 shift in a daily period.

Tasks of the team leads:

- Responsible for the daily shift planning (placement of employees on different stations) within the given final planning of products and employees. Communicate the planning to the teams.
- Assist the supervisor production with the weekly planning of cylinders and personnel.
