

# Synology NAS DS109 (59 EUR)

Locatie Zuid-Holland  
<https://www.advertentiax.nl/x-1010345-z>

Synology NAS DS109  
 Dit is een NAS inclusief met 1T HD schijf  
 De NAS is werkend te zien.. ik zou zeggen LVT (Leuk voor Thuis)  
 Inclusief 1 schijf van 1T  
 DSM4.0  
 Wordt nog gebruikt van gemaakt voor films/Photo's op de TV af te spelen.  
 Ofwel, ik maak deze pas schoon wanneer verkocht is...

Ik heb een grotere gekocht met 2

|                                                                                                                                                                                                                   |                                                                                                                                                                                                                    |                                                                                                                                                                                                                    |                                                                                                                                                                                                                    |                                                                                                                                                                                                                     |                                                                                                                                                                                                                      |                                                                                                                                                                                                                      |                                                                                                                                                                                                                      |                                                                                                                                                                                                                      |                                                                                                                                                                                                                      |
