presentations. And Presenter View displays the current slide, next slide, speaker notes, and a timer on your Mac, while projecting only the presentation to your audience on the big screen.

Microsoft OneNote

It's your very own digital notebook, so you can keep notes, ideas, web pages, photos, even audio and video all in one place. Whether you're at home, in the office, or on the move, you can take it all with you wherever you go while sharing and collaborating with others. Use it for school assignments, work projects, travel plans, party planning, and more.

Microsoft Publisher

Create, personalize, and share a wide range of professional-quality publications. Swap pictures with a simple drag and drop, or add pictures directly from your online albums. Use special effects to make your publications stand out.

OneDrive

Sign in to Office 2019 and use OneDrive to easily access your recent documents on any device with seamless.
