

# netgear 24-port Gigabit PoESmart Managed Pro switch

Locatie **Utrecht, Amersfoort**  
<https://www.advertentiax.nl/x-1011722-z>

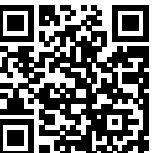

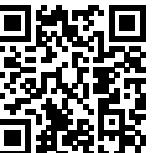

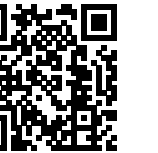

2x Netgear 24-port Gigabit PoE+Smart Managed Pro switch with 4 SFP Ports

Je kan veel mey deze switchen doen, ik doe er niets mee....Voor uitgebreide specs google is je beste vriend. Wie degene hiervan verstand van heeft, weet precies wat je met deze proffessione kan doen....

Het is een grote doos, verzenden is ook mogelijk...Alleen het wordt een dure verzending ivm gewicht, als je kan ophalen is de beste optie..

Graag bieden naar.....

|                                                                                                                                                                                                                                                    |                                                                                                                                                                                                                                                     |                                                                                                                                                                                                                                                     |                                                                                                                                                                                                                                                     |                                                                                                                                                                                                                                                      |                                                                                                                                                                                                                                                       |                                                                                                                                                                                                                                                       |                                                                                                                                                                                                                                                       |                                                                                                                                                                                                                                                       |                                                                                                                                                                                                                                                       |
