PLAY ON

Ready for a good time? Moxy Hotels makes that easy with the heart of a boutique hotel and an appetite for adventure. There's a drink waiting for you with your room key and someone at the bar that wants your number. Moxy is for play... Jenga, karaoke, maybe a little game of spin the bottle? Here, you can get away with it.

Plus, the WiFi is speedy, beds cushy and freshly made, but more importantly, the bar is always open and the crew is always on. Whether you're staying for the night or a nightcap, Moxy is your place to PLAY ON.

WE WANT YOU TO HAVE IT ALL

You're new in town and you want to make a trip to remember. We totally get that. So we've made sure the time you do spend at the Moxy is jam packed full of more fun than you thought you could have at a hotel. From yummy snacks and drinks, to games, to art, to secret hiding spots, to comfy couches to doze off in. Our lobbies are like living rooms with a bartender. Our guest rooms are like a cozy clubhouse you never want to leave, where you curl up in soft sheets, stream your favorite movie from our white-hot WiFi and cocoon for as long as you want. Because, #atthemoxy we want you to have it all.

WE'VE MADE SURE WE LOOK DAMN GOOD

We've done our homework. Or rather we gave it to some of the best design teams around. We asked them to give Moxy an identity that people would play with. They care less about the while at the hotel. We found that most people don't use their desks as a desk, while they do use their room as a living room. So we topped modern, new solid wood with a sweet, colorful and an even more fun. It's all covered in art, most people don't waste a moment on Instagram. That's why we brew fresh joe downstairs in the lobby. There we've got you covered 24/7, with grab-and-go bites, low tech play time, and crafted cocktails. #atthemoxy there's everything you would expect and plenty you wouldn't from a boutique hotel.
