

Customer service representative German, Polish and Romanian

Locatie **Zeeland, Hoek**
<https://www.advertentiex.nl/x-1017899-z>

Functieomschrijving

Dow Terneuzen is the second largest production site of Dow globally and the largest Dow site in the Benelux. Dow Chemical's service center consists of a strong and multicultural team of talented individuals.

As Customer Service Representative you will interface with customers, multiple business and functional partners to deliver exceptional service to customers and profitability to Dow. By building successful relationships, you will pull together and align multiple internal resources and capabilities, toward the goal of zero defect customer satisfaction. You will also manage the entry of orders, from initial contact with the customer or electronic channel, through material flow, until the product arrives at the correct time, with the correct product, with the correct equipment and correct paperwork to the customer. Furthermore, in the event of a service failure you will initiate the corrective action for resolution of the failure, and takes the lead position in resolution for the customer.

What are your responsibilities as customer service representative

Perform Order Management Activities, handle routine and non-routine customer order activities, including managing customer demand, following up on samples, complex order entry (i.e. consignment) guiding and leading the activities of the order process utilizing work process, business strategy, and best practice

To ensure high quality service with a high degree of accountability Display Customer Advocate
 1. Identify the champion who has the needed resources to allow fulfillment of the problem, then illustrate
 2. Provide an overview of the problem, the needs, lead and the resolution and the resolution win-win
 3. Enter the case into the Sales system to accurately and timely place the order
 4. Follow up for action, ensure the order is properly handled, and if not, remove the order while a
 multiple opportunities.
