

## 4x htc one mini 2 16GB

Locatie **Friesland, Harkema**  
<https://www.advertentiax.nl/x-1019793-z>

Hierbij bied ik 4 htc one mini 2 aan.  
 Zoals je ziet hebben er 3 scheuren en is er 1 met een beetje lucht onder het scherm.  
 Touchscreen werken allemaal prima.

Bij interesse graag een bericht.  
 Ophalen en verzenden kan.  
 Verzendkosten zijn voor de koper.

We verzenden het liefst met barcode zodat het altijd zeker is dat alles goed.

|                                                                                                                                                                                                                     |                                                                                                                                                                                                                      |                                                                                                                                                                                                                      |                                                                                                                                                                                                                      |                                                                                                                                                                                                                       |                                                                                                                                                                                                                        |                                                                                                                                                                                                                        |                                                                                                                                                                                                                        |                                                                                                                                                                                                                        |                                                                                                                                                                                                                        |
