

## Four Winns H260 - radar arch - perfecte staat (86.500 EUR)

Locatie **Noord-Brabant, Bergeijk**  
<https://www.advertentiax.nl/x-1020712-z>

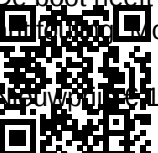

Zeer mooie en complete Four Winns Horizon 260.  
 Voorzien van een Volvo Penta 350MAG 5.7ltr V8 en duoprop startstuk.  
 Bouwjaar 2016  
 Slechts 118 vaaruren !

De prachtige diepzwarte kleur en de materialen van het interieur maken dat de boot een zeer chique karakter heeft. Daarnaast is de boot bijna 8.5mtr lang en biedt plaats aan maar liefst 13 passagiers.

Kom eens kijken naar dit indrukwekkend schip en u zult versteld staan van de ruimte en de vele snuffjes aan boord.

Deze FW is uitgerust met alle denkbare opties:  
 Radar Arch met biminitop  
 Vaste koelkast  
 Uitneembare tapijten  
 Full colored hull  
 Bluetooth audio installatie  
 Originele dekzeilen

|                                                                                                                                                                                                                                                  |                                                                                                                                                                                                                                                   |                                                                                                                                                                                                                                                   |                                                                                                                                                                                                                                                   |                                                                                                                                                                                                                                                    |                                                                                                                                                                                                                                                     |                                                                                                                                                                                                                                                     |                                                                                                                                                                                                                                                     |                                                                                                                                                                                                                                                     |                                                                                                                                                                                                                                                     |
