

## Lema 290 Crucero (20.000 EUR)

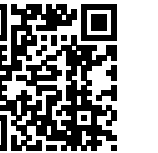

Locatie **Gelderland, Velp**  
<https://www.advertentiex.nl/x-1020716-z>

Mooie Lema 290 Crucero uit 1991 met 2 x 4,3 liter Volvo Penta benzine motoren met 205 PK per stuk.

Boot heeft recent :

- olie vervangen van blok
- olie vervangen van staartstukken
- staartstukrubbers vervangen
- 4 nieuwe schroeven ( duo-prop staartstukken )
- nieuwe bougies
- nieuwe impellers
- 4 nieuwe 105 ampère accu's
- 2 nieuwe bilge pompen 1 ervan met vlotter
- 2 nieuwe bilge ventilators met slangen
- 8 nieuwe fenders
- buiskap gerepareerd en opnieuw geïmpregneerd

Heeft onlangs een compressietest gehad en ene blok heeft 9,5 en de ander 10

|                                                                                                                                                                                                                        |                                                                                                                                                                                                                         |                                                                                                                                                                                                                         |                                                                                                                                                                                                                         |                                                                                                                                                                                                                          |                                                                                                                                                                                                                           |                                                                                                                                                                                                                           |                                                                                                                                                                                                                           |                                                                                                                                                                                                                           |                                                                                                                                                                                                                           |
