Zeer mooie MacBook Pro 13 inch Retina met Touchbar.
 Deze mac is in nieuwstaat, zonder krassen of beschadiging en is zeer weinig gebruikt. Model uit 2017, gekocht in mei 2018 met slechts 2 laadcycles!

Fabrieks garantie is nog geldig en er zit al een verbeterd toetsenbord op (geïnstalleerd door Apple).
 Originele aankoop factuur en toetsenbord upgrade factuur aanwezig. Voeding en kabel worden meegeleverd.

Hij wordt aangeboden omdat ik hem te weinig gebruik.
