

# Apple TimeCapsule 3TB

Locatie **Zuid-Holland, Vlaardingen**  
<https://www.advertentiax.nl/x-1034038-z>

Back-up je vakantiefoto's en andere documenten van je iPhone, iPad of Mac met Apple AirPort Time Capsule. Dit werkpaard is namelijk een NAS en dual-band router in één. Zet in een oogwenk een draadloos wifi netwerk op (AC) en stream snel en gemakkelijk je favoriete foto's of muziek. Dankzij de 6 slim geplaatste interne wifi antennes heb je overal in huis een uitstekend wifi-bereik. Time Capsule maakt op een vast moment reservekopieën van alle bestanden op je Apple apparaat. Zo weet je zeker dat je niks kwijt bent wanneer je je iPhone een keertje teveel uit je handen laat.

|                                                                                                                                                                                                                      |                                                                                                                                                                                                                       |                                                                                                                                                                                                                       |                                                                                                                                                                                                                       |                                                                                                                                                                                                                        |                                                                                                                                                                                                                         |                                                                                                                                                                                                                         |                                                                                                                                                                                                                         |                                                                                                                                                                                                                         |                                                                                                                                                                                                                         |
