

# Synology DS 212

Locatie **Noord-Holland, Anna Paulowna**  
<https://www.advertentiax.nl/x-1048968-z>

Hierbij aangeboden een goed werkende NAS van Synology.  
 Ik verkoop deze omdat ik hem heb vervangen voor een DS 218 Play exemplaar.  
 Hij wordt geleverd zonder HD.  
 De maximale capaciteit voor opslag is 2 X 3 TB.

|                                                                                                                                                                                                                |                                                                                                                                                                                                                 |                                                                                                                                                                                                                 |                                                                                                                                                                                                                 |                                                                                                                                                                                                                  |                                                                                                                                                                                                                   |                                                                                                                                                                                                                   |                                                                                                                                                                                                                   |                                                                                                                                                                                                                   |                                                                                                                                                                                                                   |
