

## Citroen C3 1.4 | 2004 Grijs

Locatie **Overijssel, Olst**  
<https://www.advertentiax.nl/x-1060465-z>

**BUITENKANSJE!**

We kennen allemaal het verhaal 'van een oud opaasje geweest' maar dat is in dit geval toch ook echt de situatie. Deze auto heeft altijd binnen in de garage gestaan en mijn vader van 97 moet hem nu toch echt van de hand doen. Het gaat hier om een eerlijke betrouwbare auto met aantoonbaar onderhoud bij de dealer. Esthetisch enkel lichte parkeerschade rechtsvoor, rechtsachter en rechter velgen. Dit alles is uiteraard goed te herstellen.

Het interieur is smetteloos. Op de foto's heb ik de extra hoezen even opzij geschoven. Hieronder bekleding in ongebruikte nieuwstaat.

Dan nu de technische gegevens:

Citroen C3 1.4i Exclusive 2004  
 Kenteken: 26-NP-PF  
 Bouwjaar: 2004  
 Kilometerstand: 74.000 km  
 Transmissie: Handgeschakeld  
 Brandstof: Benzine  
 Autosleutels: 2

Radio/CD/Airco/Cruisecontrol/Centrale vergrendeling/ Elektrische ramen/ Parkeerassistent

Aankomst 2021  
 15-05-2021

Distributiem is vervangen bij 62.000km. Conform Citroen dealerprotocol.

Met vriendelijke groet,

Noltes

Kortom, een top!

|                                                                                                                                                                                                                                   |                                                                                                                                                                                                                                    |                                                                                                                                                                                                                                    |                                                                                                                                                                                                                                    |                                                                                                                                                                                                                                     |                                                                                                                                                                                                                                      |                                                                                                                                                                                                                                      |                                                                                                                                                                                                                                      |                                                                                                                                                                                                                                      |                                                                                                                                                                                                                                      |
