

## Chevrolet Corvette C5 unieke kleur

Locatie **Gelderland**  
<https://www.advertentieX.nl/x-1062759-z>

Zeer nette Chevrolet Corvette c5 in een unieke kleur.  
 Slechts 75000km gelopen  
 Bouwjaar 2002  
 Rondom Michelin banden (2000km oud)  
 Onder de motorkap is alles van Carbon.  
 C6 wielen met zgan Michelin Banden.  
 Knipperlichten in de spiegels.  
 Head up display.  
 Nummerplaat voor wegklapbaar dmv afstandsbediening.  
 Stoelen en armsteun opnieuw bekleed met echt leer (2019)  
 Onderstel compleet aangepakt en compleet nieuw met de beste onderdelen.  
 Uitlaatklep op afstandbediening  
 Kortom een hele nette en unieke Corvette c5.  
 Is er dan niks op aan te merken op deze schitterende C5? ja slechts 1 ding. De airco werkt helaas niet.  
 We hebben er een nieuwe airco condensor en aircoleiding bij. .

Complete historie aanwezig en volledig bijgehouden. Zeer veel vernieuwd aan deze Corvette, facturen zijn allemaal aanwezig.  
 Onzin bidingen worden direct verwijderd.

|                                                                                                                                                                                                                                   |                                                                                                                                                                                                                                    |                                                                                                                                                                                                                                    |                                                                                                                                                                                                                                    |                                                                                                                                                                                                                                     |                                                                                                                                                                                                                                      |                                                                                                                                                                                                                                      |                                                                                                                                                                                                                                      |                                                                                                                                                                                                                                      |                                                                                                                                                                                                                                      |
