We are from Turkije, new in Netherland and waiting for asylum procedures. I am a PhD of Physics and my wife is a Chemistry teacher. We want to learn Dutch and integrate to the society as soon as possible. We want to meet volunteer someone/family that we can interact each other, we want to help someone, to tutor physics, chemistry and mathematics for free (online/facetoface). We may spend time, talk and drink coffee together. We are open any kind of activities that speed up our integration. We deeply desire to serve and show our gratitude to Dutch society by doing our.
