RIDER PROFILE

The discerning rider who values unrivaled predictability and uncompromising high end performance. For those that want style, power, performance and craftsmanship

What is amazing about the Switchblade is that all this performance comes in one of the easiest to use packages. Its balance and power delivery make this kite light to the touch and simple to fly. Whether you are working on your freestyle game or testing your limits in boosting incredible air, the Cabrinha 2019 Switchblade will deliver with a class of predictability and reliability that can not be found anywhere else.
