

## Audi Q3 1.4 150Pk automaat SCHUIFDACAMERAXENON (22.950 EUR)

Locatie **Zuid-Holland, Leiderdorp**  
<https://www.advertentiax.nl/x-1076029-z>

Hierbij bied ik mijn mooie Q3 1.4 met 150PK automaat aan. De auto beschikt over tal van opties. Ik zal er een aantal toelichten:

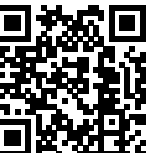

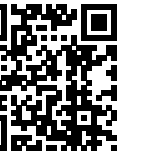

- Navigatie
- Keyless Entry
- Uitneembare trekhaak (orgineel van audi, werkt via pull-systeem achterbak)
- Camera achter
- Stoelverwarming
- Schuifdak/panoramadak
- cruise control
- Parkeersensoren rondom
- Xenon lichten

Verder is de Q3 volledig onderhouden. Alle beurten zijn gedaan bij Audi en heeft in November nog een APK gehad. De auto verkeerd in nieuw staat, op 1 mini deukje onderin een deur na. Ook zijn beide sleutels aanwezig.

Ik verkoop mijn auto vanwege de aanschaf van een kleinere auto(Suzuki Baleno).

Bij interesse en/of vragen sta ik u graag te woord. De huidige KM stand is 52.375. Ik ga er nog uiterlijk 2

weken mee

|                                                                                                                                                                                                                                                   |                                                                                                                                                                                                                                                    |                                                                                                                                                                                                                                                    |                                                                                                                                                                                                                                                    |                                                                                                                                                                                                                                                     |                                                                                                                                                                                                                                                      |                                                                                                                                                                                                                                                      |                                                                                                                                                                                                                                                      |                                                                                                                                                                                                                                                      |                                                                                                                                                                                                                                                      |
