Dell 24inch screen monitor

Hello !

A 24-inch screen monitor purchased in May 2017 is on sale.
 Model name is Dell Monitor U2415, produced by IPS panel, there are connection ports such as Thunderbolt, HDMI, etc. The height and angle can be adjusted through the monitor stand.

There is no crack on the screen, and there is a crack on the back of the monitor while moving. This part is attached to the photo. There is no problem in use, and it is clean if it is used only inside the house to remove the grease from the back side.

If you want to purchase, please leave a message or!
