Duotone Neo`s 2020 kites 12, 9 en 7 top kites! In zeer goede staat, voornamelijk op mirns gebruikt, altijd droog de tas in gegaan. Geen reparaties en zien er goed uit.

Duotone Neo super fijne kites, die verkocht worden als wave kite maar ook zeer goed voor freeride te varen zijn met twintip of foil. Neo`s hebben veel power en super drift. Kortom zeer stabiele betrouwbare kite die zeer allround is van beginner tot expert te varen.
