

Monitor Samsung 34 ultra wide LC34F91 (400 EUR)

Locatie Zuid-Holland, Rotterdam
<https://www.advertentieX.nl/x-1083960-z>

I just got a new monitor, and thus I am selling my previous one.

It still works great. No problems after 3 years of use. I have the original accessories (as in the photo) and the plate for wall mounting.

I strongly recommend that you to pick it up yourself!

Dit Ultra Wide beeldscherm vervangt twee monitoren voor een! Curved screen for sharp and comfortable viewing pleasure
Ultra WQHD for incredibly detailed images and super wide workspace
Quantum Dot technology for a wider, more realistic color palette
The 3000:1 contrast ratio with minimal light leakage is best in class
Gameplay without
