1994 (January) Toyota 4-Runner 3.0L V6, 4X4 SUV, benzine, metallic blue, air conditioning, sunroof, power windows/door locks. 160,306km. Imported from Malaga, Spain, in 2019, one winter in Holland = no rust. APK valid until April, 2021.

Restoration and repairs:

2019 – new paint, new tires, new rear springs, new tinting on 5 rear windows, new radiator/water pump/etc, new battery, new timing belt, air conditioning recharged, oil leak repaired

-stereo upgrade (Sony with Bluetooth, USB, CD, aux input)

-replaced most of the interior including steering console and steering wheel, all 5 door panels/handles/trim, dash light, lower half of front dash/ashtray/glove box, centre console with gear stick cover, rear bench seats, carpet for rear seat and rear storage

2020 – replaced distributor cap, throttle thermostat, radiator cap

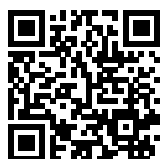

Comes with several extra parts from donor vehicle and a car alarm. Restoration is basically complete but now it's having engine trouble but I'm moving on to other things. It's time to pass along the restorations project along to someone else to finish.
