

## AOC Value-line Monitor beeldscherm

Locatie **Utrecht, Utrecht**  
<https://www.advertentiax.nl/x-1085894-z>

Ik doe deze weg, omdat ik voor mn werk een grotere monitor nodig had en deze mocht aanschaffen. Deze monitor voldoet echter nog prima en is nog geen 2 jaar oud. Verkoop is inclusief benodigde (nieuwe!) kabels. Zie hieronder de beschrijving.

AOC Value-line G2460VQ6. Beeldscherm diagonaal: 61 cm (24"), Resolutie: 1920 x 1080 Pixels, HD type: Full HD, Display technologie: LCD, Beeldoppervlakte: Mat, Responstijd: 1 ms, Oorspronkelijke beeldverhouding: 16:9, Kijkhoek, horizontaal: 170°, Kijkhoek, verticaal: 160°. Ingebouwde luidsprekers. VESA-montage. Kleur van het product: Zwart

Jouw toegang tot gaming  
 Deze slanke stijlvolle monitor is ontworpen voor de meest veeleisende gamers, met een ultra-snelle responstijd van 1ms en een 75Hz-verversfrequentie voor gelijkmatig verlopende actiesequenties zonder vertraging of.

|                                                                                                                                                                                                                                       |                                                                                                                                                                                                                                        |                                                                                                                                                                                                                                        |                                                                                                                                                                                                                                        |                                                                                                                                                                                                                                         |                                                                                                                                                                                                                                          |                                                                                                                                                                                                                                          |                                                                                                                                                                                                                                          |                                                                                                                                                                                                                                          |                                                                                                                                                                                                                                          |
