

I7-6700k upgrade set met moederbord

Locatie **Noord-Brabant, Tilburg**
<https://www.advertentieX.nl/x-1090224-z>

Te koop Intel i7-6700k met moederbord.

Wegens upgrade van mijn game pc verkoop ik mijn huidige cpu + moederbord,

Deze komen uit een OMEN x gaming pc.

De intel i7-6700k is nooit overclocked geweest.

Doe een goed bod en deze set is voor jou!

CPU en moederbord nog in gebruik.
