

Zyxel switch GS1350-6HP, 6 Port managed, PoE (100 EUR)

Locatie **Friesland, Leeuwarden**
<https://www.advertentieX.nl/x-1092126-z>

Zyxel GS1350-6HP, Managed, L2, Gigabit Ethernet (10/100/1000), long range
 Power over Ethernet 802.3at (PoE+) on Port 1-5
 Power over Ethernet 802.3bt (PoE++) on port 1-2
 Total PoE budget 60 watts
 Ophangsysteem voor aan de muur

Zo goed als nieuw, incl bijbehorende voeding.

Specialized PoE software features for surveillance
 Detect and recover failed IP cameras and powered devices automatically with customizable granular parameters suitable for any types of devices and scenarios.
 Delivers nonstop power to keep cameras in operation, even if switch undergoes maintenance for firmware or configuration updates, significantly reducing reboot time.

Easy for long-distance deployment Traditionally, PoE switch delivers power and data within the distance of the 100 meter limitation. The GS1350 series fulfills the need to deploy IP camera or power devices using existing Cat 5e cable to distant locations. By enabling extended-range mode, instantly achieve distant deployments up to 250m.

High power budget, The intuitive LED indicator on the front panel allows inspecting real-time PoE status.

Zyxel switch GS1350-6HP, 6 Port managed, PoE
