Apple Watch Series 5 Nike edition 40mm space gray. Bought in 2020 original receipt is included with a few months left of warranty. Original box and charger also included. As good as new with no visible damage and no hardware or software issues.

Comes included with one black reflective Nike sport band, one multi-colored belt clasp band, one genuine leather belt clasp band, and one black stainless steel shackle band with included extra shackles and shackle tool to adjust fit.

I am selling it because I am moving from iPhone to Android and have no use of it anymore. Selling it from Rotterdam, you can pick it up or I will send it via postnl to anywhere you.
