

Renault Megane 2.0 16V S2005 2003 Blauw (1.125 EUR)

Locatie **Gelderland, Arnhem**

This car was used by me mostly for getting to my work (99% motorway). Since I'll be working much closer to my home now - I simply don't need it anymore.

It drives nice and smoothly without any problems.

APK till March 2021.

PS. As my Dutch is still in development I prefer communication in English. Thank!
