

## Daihatsu Cuore 1.0 5D 2007 Rood (1.699 EUR)

Locatie **Gelderland, Eerbeek**  
<https://www.advertentieX.nl/x-1115160-z>

Zeer mooie daihatsu cuore  
 Bouwjaar 2007 ...  
 Dit is het nieuwe model vanaf 2007  
 Apk augustus 2021  
 Geheel garage onderhouden tot en met augustus 2020  
 Onderhoudsboekje zit erbij  
 Elk jaar zijn beurt gehad  
 Nu 171.574 km gelopen  
 Laatste beurt bij 170.168 km  
 augustus 2020

5 deurs  
 Zeer zuinig  
 Goedkoop in belasting  
 ( belasting €15,= p/mnd)  
 en goedkoop in verzekering  
 En deze auto heeft een distributieketting dus geen hoge onderhoudskosten

Achterbank leuning is in standen verstelbaar  
 Achterbank zelf is ook van voor naar achteren in standen verstelbaar

Bestuurdersstoel is in hoogte verstelbaar

Overstap cd speler  
 2x 15 liter vergrootglas  
 2x 15 liter veramen  
 Elektrisch verstelbare spiegels  
 Hoofdstedelen  
 Spoilertje met 3e remlicht

Auto heeft een wax oil behandeling gehad

Vraagprijs

|                                                                                                                                                                                                                                       |                                                                                                                                                                                                                                        |                                                                                                                                                                                                                                        |                                                                                                                                                                                                                                        |                                                                                                                                                                                                                                         |                                                                                                                                                                                                                                          |                                                                                                                                                                                                                                          |                                                                                                                                                                                                                                          |                                                                                                                                                                                                                                          |                                                                                                                                                                                                                                          |
