

## GPD Win Max (700 EUR)

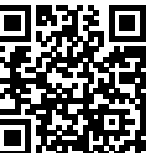

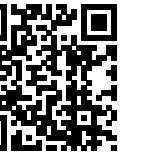

Locatie **Zuid-Holland**  
<https://www.advertentieX.nl/x-1116381-z>

De GPD Win Max is een game georiënteerde mini laptop.  
 Gemaakt door GPD die allemaal van dit soort interessante apparaatjes maakt.  
 Ik heb deze via de indiegogo campagne besteld en begin september 2020 geleverd gekregen.  
 Ik merk dat ik er eigenlijk niks mee doe.

Specs:  
 8" 1280x800 IPS scherm  
 i5-1035G7  
 512GB m2 NVMe ssd  
 16GB LPDDR4 3733Mhz ram  
 geïntegreerde gamepad met de bekende GPD switch om te wisselen naar muismode.  
 Thunderbolt 3 poort (hiermee kan je een externe videokaart mee aansturen)  
 Uiteraard verdere io 2x USB3.0, 2x USB-C (waarvan 1 TB3), HDMI, MicroSD slot, RJ45

Inclusief hoesje wat specifiek voor het apparaat.

|                                                                                                                                                                                                            |                                                                                                                                                                                                             |                                                                                                                                                                                                             |                                                                                                                                                                                                             |                                                                                                                                                                                                              |                                                                                                                                                                                                               |                                                                                                                                                                                                               |                                                                                                                                                                                                               |                                                                                                                                                                                                               |                                                                                                                                                                                                               |
