

## Samsung Galaxy Xcover 4 16GB (79,99 EUR)

Locatie **Utrecht, Amersfoort**  
<https://www.advertentiex.nl/x-1123182-z>

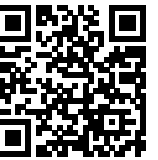

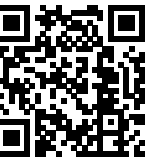

Nu te koop bij Used Products Amersfoort | met garantie:

Samsung Galaxy Xcover 4 16GB

### Beschrijving:

5 inch-scherm met resolutie van 1280 bij 720 pixels  
 13 megapixel-camera achterop, 5 megapixel-camera voorop  
 Loopt op Android 7.0 Nougat  
 1,4 GHz quadcore-chip, 2GB werkgeheugen  
 16GB opslagruimte, uitbreidbaar met geheugenkaart  
 Stof- en waterdicht, overleeft val van anderhalve meter

De stoere Samsung Galaxy Xcover 4 kan als geen ander tegen een stootje of een flinke regenbui. Als je vaak in een ruige omgeving sport of werkt, hoef je je dus geen zorgen te maken of deze smartphone je avonturen wel kan bijbenen. Zo is de Xcover bestand tegen valschade, dus je toestel is niet meteen kapot als je het een keer laat vallen. Daarnaast is de smartphone IP68 gecertificeerd, wat inhoudt dat het toestel ook een val in het water overleeft. De Xcover 4 is robuust, maar ook vrij compact. De smartphone past dus nog steeds makkelijk in je zak. Is 16GB opslagcapaciteit niet genoeg opslag? Dan breid je het geheugen eenvoudig uit met een micro SD kaart.

|                                                                                                                                                                                                                                              |                                                                                                                                                                                                                                               |                                                                                                                                                                                                                                               |                                                                                                                                                                                                                                               |                                                                                                                                                                        |                                                                                                                                                                                                                                                 |                                                                                                                                                                                                                                                 |                                                                                                                                                                                                                                                 |                                                                                                                                                                                                                                                 |                                                                                                                                                                                                                                                 |
