

## avaya 1408 digitaal bureau telefoontoestel 700504841 Nieuw (25 EUR)

Locatie **Flevoland, Zeewolde**  
<https://www.advertentiax.nl/x-1125220-z>

Nieuw in doos  
 Meerdere beschikbaar

Deze reeks digitale Avaya telefoontoestellen zijn ontworpen voor dagelijks gebruik in een kantooromgeving, de 14 vaste functie toetsen zorgen dan ook voor een gemakkelijk en tijdsbesparende bediening van het toestel, verder beschikt het toestel over:

Beeldscherm van 3 × 24 tekens met achtergrondverlichting

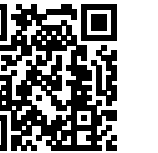

Acht (8) beheerbare functietoetsen

Full-duplex tweerichting luidspreker met Omni directionele microfoon

Oproeplogboektoepassing met maximaal 100 vermeldingen. Hoofdweergave toont een gecombineerde lijst, maar de pijlen naar links en rechts kunnen worden gebruikt om gemiste, beantwoorde en uitgaande vermeldingen weer te geven.

Drie softtoetsen

Headset aansluiting  
 5-sterk standaard met 3-sterk headset

|                                                                                                                                                                                                                                                                                                     |                                                                                                                                                                                                                                                                                                      |                                                                                                                                                                                                                                                                                                      |                                                                                                                                                                                                                                                                                                      |                                                                                                                                                                                                                                                                                                       |                                                                                                                                                                                                                                                                                                        |                                                                                                                                                                                                                                                                                                        |                                                                                                                                                                                                                                                                                                        |                                                                                                                                                                                                                                                                                                        |                                                                                                                                                                                                                                                                                                        |
