Selling my fully functional sony xperia z5 compact (e5823) graphite black without any software/hardware defects.
 No scratches on the screen. Note that the back cover is cracked. The crack is due to the inflation of the battery.
 I decided not to replace the original battery and the original back cover but to sell the phone as it is leaving for the new owner the choice of the parts.
 The battery still works well and keeps the charge for several hours of active usage.
 The phone comes in the original box, with the original charger and with a.
