

# HP laptop i5 windows 10Pro for sell (400 EUR)

Locatie **Overijssel, Enschede**  
<https://www.advertentieX.nl/x-1138707-z>

Ik verkoop dit omdat

Am selling this laptop because after a update a blue screen started appearing with a error code. Right know I can't afford to fix it but other then that it works fine I had it for 2 years and you can work on it for 40 to 30min before the blue screen pops up.

Price is.
