

# Onderdelen Honda XL600V Transalp

Locatie **Zeeland, s-Gravenpolder**  
<https://www.advertentieX.nl/x-1145986-z>

Diverse gebruikte originele onderdelen passend voor de modellen Honda XL600V Transalp van 1987 t/m 1993.

## Benzinetank

Benzinetank compleet met montage rubbertjes en rubber voet. Deze tank is zowel vanbuiten als binnen brandschoon. Wel twee heel lichte flankdeukjes rechts (nauwelijks zichtbaar) De lak is op enkele kleine gebruik sporen na uitermate netjes!

Prijs: € 95,-

## Koplamp

Koplamp in nette staat en onbeschadigd

Prijs € 75,-

## Dynamodeksel

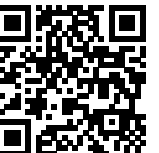

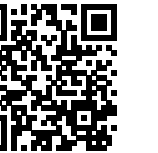

Dynamodeksel (PD10), in prima staat en goed bruikbaar.

Prijs € 35,-

## Zijkuij links

Linker zijkap, op een paar minuscule blanke lak krasjes na is dit onderdeel in perfecte staat!

Part nr: 83600-MM9-0000 COVER L SIDE

|                                                                                                                                                                                                                                 |                                                                                                                                                                                                                                  |                                                                                                                                                                                                                                  |                                                                                                                                                                                                                                  |                                                                                                                                                                                                                                   |                                                                                                                                                                                                                                    |                                                                                                                                                                                                                                    |                                                                                                                                                                                                                                    |                                                                                                                                                                                                                                    |                                                                                                                                                                                                                                    |
