1979 Honda CX500 Cafe Racer for sale. Complete professional restoration, every nut and bolt has been taken off, cleaned, repaired if necessary and put back together.

Many custom details, such as custom exhaust, tuned carburetors to match, clean dash with new gauges, key on the side and stop watch on the dash. Custom leather saddle with enough room to share. Ride in style or don't ride at all.

Frame and wheels powdercoated, engine stripped and painted, brand new tires with hairs still on, LED lighting, and custom touches that give style a new name.

Tank is in original candy/cherry paint because it was too nice to touch it.

Built and tested, now she is for sale. Let me know if you have.
