

## Fusion

Locatie **Utrecht, Vinkeveen**  
<https://www.advertentiax.nl/x-1153895-z>

### Fusion Sailboats

Enkele eigenschappen: mooie en goede afwerking, naar de nieuwste inzichten ontworpen, uitstekende vaareigenschappen, veilig, alleen (volwassenen) of samen (jeugd) te varen, degelijke constructie en een uitstekende prijs / kwaliteit verhouding.

Polyethyleen romp  
 Grootzeil 5,25 m2  
 Fok 1,75 m2  
 Genaker 7 m2  
 Lengte 3,6 m1

De bouwer van de Fusion (UK) heeft ruim 25 jaar ervaring in de productie van verschillende open zeilboten van gerenormeerde merken gemaakt van polyethyleen.

De Fusion is door ons ook nieuw leverbaar voor:

Fusion (alleen grootzeil), € 3.675;  
 Fusion Plus (grootzeil en fok), € 3.850;  
 Fusion Pro (extra groot grootzeil en fok) € 3.975;  
 Fusion Pro Gen (extra groot grootzeil, fok en genaker) € 4.950

Alle prijzen zijn inclusief transport af Vinkeveen. De boten worden compleet dus geheel vaarklaar geleverd (zonder trailer en / ondektent). Prijzen geldig tot en met eind 2021 en voor zover.

|                                                                                                                                                                                                   |                                                                                                                                                                                                    |                                                                                                                                                                                                    |                                                                                                                                                                                                    |                                                                                                                                                                                                     |                                                                                                                                                                                                      |                                                                                                                                                                                                      |                                                                                                                                                                                                      |                                                                                                                                                                                                      |                                                                                                                                                                                                      |
